# Donate to the IEA

The International Enneagram Association is a 501(c)(3) not-for-profit organization based in the United States. Donations are essential to helping the IEA achieve its vision of “Creating a world where the Enneagram is widely understood and constructively used.” Donations to the IEA are tax deductible to the full extent permitted by law.

There are a number of different ways that you can support the IEA:

## **IEA Scholarship Fund**

The IEA Scholarship Fund was created to make it possible for individuals from around the world to further their Enneagram education by attending IEA conferences and events. This opportunity has been described as “life-changing” by past recipients. Scholarships are intended to broaden and help diversify participation and ensure inclusivity in our community by holding the door open for individuals who otherwise would not be able to participate due to financial or geographic challenges. Check out these video messages and testimonials from prior scholarship recipients:

- A message from IEA Board member and Scholarship Committee chair [Bart Wendell](#) featuring Ozgu from Turkey and Fazal from Pakistan, both of whom attended the 2019 global conference in Oakland
- A message from [Travis](#), from the US who attended the 2018 global conference in Cincinnati

The amount we are able to award in scholarships each year depends upon the amount raised. For the 2021 online IEA Global Conference, 81 scholarships were awarded to recipients from 22 countries. A total of \$14,720 in donations were used to pay for conference registrations and annual membership for these recipients.

## **Planned or Legacy Giving**

Planned or legacy giving is a way to express your personal values by integrating your charitable and financial goals. A legacy gift may take different forms including bequests from your estate through your will or by naming the IEA as a beneficiary on your insurance, trust, IRA or annuity. Gifts may be made in cash or by donating assets such as stocks. By including the IEA in your estate plans, you can create a lasting legacy and provide for the future needs and opportunities of the IEA and the Enneagram community.

We were extremely grateful to receive a substantial legacy bequest in 2019 from a generous benefactor who wished to support the IEA’s efforts to become a more truly international organization. Funds from that bequest are being used to support the translation of the 2021 IEA global conference into 4 additional languages for the first time ever! This is just the first step in a longer-term plan to make the Enneagram and IEA offerings and community more accessible to interested people around the world. You too can make a lasting difference through your gift!
