IEA Egypt 2022 Conference Call for Papers

The **IEA Egypt Affiliate** is proud to announce its 2nd Enneagram conference in the MENA region on **January 28 - 30, 2022** in Cairo, **Egypt**.

To kick start the conference, on **January 27th**, a **one day retreat** is being mindfully organized, including a variety of sessions. This will allow for a much needed transition from the hassle of everyday routine, and help us all in deepening and strengthening our presence during the subsequent Conference days.

The Conference will be held at the **InterContinental Cairo Semiramis hotel**, strategically located at the heart of Cairo, overlooking the **Nile River** and just 5 minutes' walk from the **Egyptian Museum**.

It is important to note that the Conference will be mainly held **in-person**. An added parallel virtual track will also be available.

In the event of serious changes in the pandemic state &/or international travel disruptions, the format of the Conference will be changed from face-to-face to online.

We are seeking submissions of innovative, relevant, and effective presentations by a wide array of presenters. The theme of **IEA Egypt 2022** is "**As above, so below**". This theme is an invitation for a more holistic approach, where the Enneagram of Personality and the Enneagram of process integrate to create a wider, all encompassing meaning of our individual lives in unity with the universe.

We welcome papers addressing Enneagram applications in the following fields: **Spirituality, Self-Development, Business, Education & Parenting, Psychology, and Relationships**.

In compliance with the latest IEA Regional Conference Guidelines, it is important to note that **all presenters** both local and international must submit to the **Call for Papers process**. We are confident that our esteemed Master Enneagram teachers will continue to support us in our endeavours to abide by these updated guidelines.

Every attempt is made to support and strengthen local as well as regional talents. In line with this, the Conference will be offering limited translation services from Arabic to English.

Conference Vision:

Aspiring through a holistic approach, to create a realm of knowing that resonates with our essence, with humble curiosity.

Conference Mission:

Facilitating exposure, grounded in practical and applicable knowledge, leading to a synergy between one's diverse parts, to achieve a greater whole.

Conference Objectives:

IEA EGYPT CONFERENCE 2022 is aiming at: **ensuring** a higher participation of both local & regional (MENA) Enneagram Community; **creating a hub**, where Enneagram experts as well as enthusiasts from across the world get to exchange knowledge and experience; and **promoting** an integral approach towards the application of Enneagram across other different disciplines. We are confident that this interdisciplinary mix will enrich the conference ambience and promote networking opportunities.

If you are interested in presenting, pls. read the following guidelines:

Guidelines for Request for Papers

What we are looking for:

- Priority will be given to new papers and topics, which have not been presented at previous IEA conferences,
- Clear language, descriptions, explanations,
- Knowledge and competence of the presenter.
- Presenters **must** be current members of IEA Global as per IEA new Conference Requirements.

What you need to send:

- A description of your presentation explaining the topic/s to be addressed as well as what the attendee can expect (approx 100 words).
- A bio, including previous experience relevant to the Enneagram.
- A high resolution picture.
- A completed fact sheet.

Please use the following link shorturl.at/MXY36 to complete the fact sheet and submit it along with the proposal.

Presentation slots: are 1.5 hours long, including Q&A

Official Languages: English, Arabic.

In case of the presentation being in Arabic, please allow for a 30 minute buffer translation time within the 1.5 hour duration of the session.

Submission of Proposals: by email to speakers@ieaegyptconference.com

Proposal Screening: will be done **ANONYMOUSLY** by a **Blind Committee** of local and international experts.

Deadline for receiving Papers: August 30th

Final Selections: You will be notified by **September 30th**

For any queries, please send an email to speakers@ieaegyptconference.com
We look forward to welcoming you to **IEA EGYPT CONFERENCE 2022**
