Did the AES and its certification program have a positive impact on your personal life and professional work? If so, please describe briefly how you would characterize this impact:

The recognition of an AES as an IEA Accredited Enneagram School with Distinction is only awarded to a very select number of organizations of the highest caliber. To receive this recognition, the AES must have achieved and maintained the highest level of excellence, integrity, longevity and positive impact in the overall Enneagram field and in the IEA Community. As a graduate of the AES' Certification program and Professional or Accredited Professional member of the IEA community, please describe the substantial positive contribution you believe this AES has made to the Enneagram field and IEA community to warrant the awarding of such recognition.
